Agua Fria Water District
(Name of Service Area)

NON-POTABLE WATER SERVICE – UNRESTRICTED SOURCE

Availability

Available to large turf and landscape irrigators for use on golf courses, lakes, school grounds, park lands, right of ways, and similar large open spaces. Also available to land developers and their contractors and sub-contractors for use on large construction projects which require significant amounts of dirt moving, grading, trenching or other water intensive construction activities.

Rate

All Consumption	Rate per 1,000 gallons	\$1.240
-----------------	------------------------	---------

Special Conditions

The water provided under this tariff is untreated groundwater, raw surface water or reclaimed sewage effluent and is not suitable for human consumption or bodily contact. Water provided under this tariff should be used only for irrigation. Water will be made available for construction uses only to the extent it is not needed to serve other classes of customers.

Each customer shall be required to enter into a Non-potable Water Service Agreement with the Company prior to establishment of service in accordance with Rule No. 12 of Arizona-American Water's Agua Fria Water District Rules and Regulations.

Terms and Conditions

Water service provided under this rate schedule is subject to this District's Rules and Regulations applicable to Water Service and may be subject to this District's Service Charges set forth in Rate Schedule Service Charges.

All rates in this Schedule shall be subject to their proportionate part of any taxes or other governmental imposts which are assessed directly or indirectly on the basis of revenues derived from service under this Schedule, or on the basis of the service provided or the volume of water produced, purchased or sold.

A 1-1/2% late payment penalty will be applied to account balances not paid within twenty-five (25) days after the postmark date of the bill in accordance with Rule 8 (H) of Arizona-American Water's Agua Fria Water District Rules and Regulations.
